	Higher Secondary Percentage 79.0
	Graduation Percentage 69.0

Job page:

- ▶ This is a job recommended page and user can check jobs, eligibility and can apply.

The screenshot displays a 'Student Dashboard' with a sidebar on the left and a main content area. The sidebar contains links: 'Profile Details', 'View Jobs', 'Applied Jobs Status', 'Change Password', 'Update Details', 'Upload Resume', 'Upload profile Picture', and 'Review Resume'. The main content area has a 'Toggle Menu' button and a 'Logout' link. Below these is a 'Recommended Jobs' section with five job cards. Each card lists the job title, company name, location, salary package, and an 'Apply Now' button.

Job Title	Company	Location	Salary Package	Action
Software Engineer	Wipro	Gurgaon	Upto 4 LPA	Apply Now
Software developer	Wipro	Bangalore	Upto 5 LPA	Apply Now
Software Engineer	Capgemini	Bangalore	Upto 5 LPA	Apply Now
Software developer	Wipro	Bangalore	Upto 4 LPA	Apply Now
Software Engineer	Wipro	Bangalore	Upto 5 LPA	Apply Now

Job Status page:

- ▶ This is a job status page where student can check their applied job's status.

The screenshot shows a web browser window with the URL `localhost:8080/appliedjobs/1`. The page is titled "Applied Jobs Status" and displays a table of applied jobs. The table has columns for Job Id, Company, Job Role, Location, Status, and Recruiter Action. Two jobs are listed: Job 1 at TCS (Software Engineer, Hyderabad) and Job 2 at Infosys (Software Developer, Chennai). Both jobs have a status of "Applied" and a recruiter action of "No action from the recruiter at this moment". The page also includes a sidebar with navigation links and a pagination control at the bottom of the table.
